

iHola! My name is Melissa Plantiko, and I have been teaching Spanish at Appleton East since the fall of 2005. I graduated from UW-Milwaukee in 1989, and have taught Spanish in Mukwonago, Cedarburg, and now Appleton. I'm very happy to be here and plan to stay for a long time!

I have a husband, Kurt, and two children (Madeline and Max) who attend Huntley Elementary. We also have two dogs and a hamster. Our house is always a busy place – full of kids and friends. We love it that way!

When the weather is nice I enjoy biking and gardening, and I also love to cook. I like spending time with my family and friends, especially at the beach.
